- Dry cleaning of curtain and blinds where they hang ...
“On The Spot Dry cleaning specialists”, Dry clean curtains on site WHERE THEY HANG. Our service includes repairing, servicing and cleaning of curtain hardware.
- Deep sanitization of mattresses ...
“On The Spot Dry cleaning specialists”, deep cleans & sanitizes mattresses On site, it takes a clinically developed, scientific and professional application to remove dust mites that can cause illness and allergies. Every person sheds an average of 4.5 kilograms of skin per year while they are sleeping and leaves an average of 8 litres of sweat in a mattress. This produces the ideal environment for dust mites and bacteria to live and breed. These dust mites leave behind droppings which attract bacteria - all of this combines to create a very unhealthy and highly allergic sleeping environment.
- Dry cleaning of upholstery
